

Two Bossa Nova Patterns

These patterns are taken from Horace Silver's "Song For My Father", played by Roger Humphries on the drums. Once you get comfortable with these patterns, you can come up with your own left hand variations by improvising, reading some eighth note source material, or emulating some records in this style.

Drum set **1**

Pattern 1 is a 4-measure drum set pattern in 4/4 time. The notation consists of two staves. The top staff uses 'x' marks to represent cymbal hits on the first, second, and fourth beats of each measure. The bottom staff uses eighth notes to represent the bass drum pattern: quarter notes on the first and third beats, and eighth notes on the second and fourth beats. The pattern is repeated twice, indicated by a repeat sign at the end.

Dr. ³ **2**

Pattern 2 is a 4-measure drum pattern in 4/4 time, marked with a '3' above the first measure. The notation consists of two staves. The top staff uses 'x' marks to represent cymbal hits on the first, second, and fourth beats of each measure. The bottom staff uses eighth notes to represent the bass drum pattern: quarter notes on the first and third beats, and eighth notes on the second and fourth beats. The pattern is repeated twice, indicated by a repeat sign at the end.
